Earpiece

☑ **NOTE:**
Depending on which ear you will wear the headset, simply adjust the ear hook accordingly.

Checking the accessories

Make sure you have the following items with your headset : Charger, User guide

☑ **NOTE:**
The items supplied with your headset may vary depending on your region.

Charging the headset

Put the charger into the jack on the headset and into the electrical outlet. Charge the headset until the red indicator light turns blue.

☑ **NOTE:**
- Do not attempt to charge the headset with anything other than the charger provided.
- You can use your headset while charging.

Turning the headset on or off

To turn the headset on, press and hold the talk button until the blue indicator light flashes 4 times.

To turn the headset off, press and hold the talk button until both blue and red indicator lights flash.

Understanding various modes

- **Standby mode**: The headset is waiting for a call. The blue indicator light flashes every 3 seconds.
- **Active mode**: The headset has a call in progress. The blue indicator light flashes every 8 seconds.
- **Pairing mode**: The blue indicator light stays lit. You can discover and connect to your headset on your phone.
- **Low battery mode**: There is less than 10% of battery power left. The red indicator light flashes. You must recharge the battery.

Pairing with your Bluetooth phone

1 Enter Pairing mode.

- Turn off your headset and press and hold the talk button until the blue indicator light remains lit after blinking.
- If you turn it on for the first time, it proceeds into Pairing mode immediately.

2 Search for and pair with your phone according to your phone's user guide. (Bluetooth PIN: 0000, 4 zeros)

- If the pairing is successful, the blue indicator light will flash 10 times rapidly before entering Standby mode.
- If the blue indicator light remains lit, retry pairing.

☑ **NOTE:**
When the headset and the phone are paired, the headset attempts to reconnect automatically each time it turns on. Otherwise, press the Multi-function button to reconnect.

Using call functions

Some features may not be supported by your phone.

In Standby mode

Press the talk button to:
- Answer an incoming call
- Make a voice-activated call

Press and hold the talk button to:
